

WATEA Membership Works – for YOU!

The **Wisconsin Automotive & Truck Education Association (WATEA)** drives innovative workforce development solutions for the transportation industry.

What is WATEA?

The *Wisconsin Automotive & Truck Education Association* brings likeminded transportation businesses, educational institutions, community organizations, and individuals together to create innovative solutions for increasing workforce opportunities in the transportation industry.

WATEA's Mission: To improve awareness of career paths and opportunities in the automotive/truck industry; and to promote technical and continuing training, educational development, and certification for workers in the automotive and truck industry.

History of WATEA: In the late 1990's, a small group of business and educational leaders joined forces to save the Automotive Technician training program at a local technical college. Through this experience, the group discovered the power of their combined influence and, in 2000, the Wisconsin Automotive & Truck Education Association was formed. Since that time, businesses and organizations who might be competitors elsewhere have collaborated to achieve their shared goals of increasing transportation industry training opportunities.

In 2011, WATEA launched the *Wheels to Work* program to provide reliable vehicles to low-income employees. In 2019, *Commute2Careers* was created to give shuttle rides to new employees lacking transportation to work.

Key Programs & Initiatives

- **WATEA Student Scholarships** provide thousands of dollars in tuition each year, enabling multiple students to pursue transportation-related training programs at regional technical colleges.
- **Technical College Programming** ensures current and future employees have access to up-to-date training in the fields of Auto Tech, Collision & Repair, Diesel Tech, and CDL/Driving. Businesses also benefit from apprenticeship programs and by participating in industry advisory groups.
- **K-12 Auto/Tech Ed Programs** excite the next generation of employees through Youth Apprenticeship, job shadowing, entry-level jobs, and the accelerated Automotive Careers Pathways program with NTC.
- **Wheels to Work** provides affordable, no-interest loans to low-income individuals who need a vehicle or vehicle repairs to access a job.
- **Commute2Careers** gives low-cost shuttle rides to new employees who lack reliable transportation so they can get to and/or from their job until they are able to develop a stable transportation solution.

Annual Events & Activities

- WATEA's **Annual Meeting** is a FREE event featuring updates on current transportation workforce initiatives, a keynote speaker highlighting key industry topics, and excellent networking opportunities.
- The **Fore the Road Charity Golf Event** is WATEA's annual fundraiser. Spend a day on the golf course, then enjoy a night of networking, food & beverages, live music, fireworks and more – for a great cause!
- **WATEA's Auto Career Night** and other job fairs show students the benefits of working in the auto field.

Benefits of WATEA Membership

As a WATEA Member, you will receive:

- **Enhanced Access to New Employees and Workforce Programs**
Receive timely communications about prospective new employees, Youth or Registered Apprenticeship candidates, technical college training programs, regional job fairs, and other workforce engagement activities.
- **Higher-Quality (and Quantity!) Employees**
Hire confidently knowing WATEA is working on your behalf to ensure there are sufficient active and up-to-date automotive training programs in our regional K-12 schools and technical colleges to ensure a sustainable and skilled workforce pipeline.
- **Influence Over the Industry's Future**
WATEA provides its members with opportunities to join topic-specific task forces, workforce development teams, and WATEA boards/committees, where participants guide the content and direction of transportation-industry trainings and workforce development initiatives alongside a wide variety of industry partners.
- **Strategic Business Marketing Opportunities**
Let WATEA distribute your business' branded products and information at regional job fairs & events, and/or secure prominent sponsorships at WATEA's popular annual golf outing event.
- **Industry-Specific Relationships**
Network with other industry professionals at WATEA's Annual Meeting, then grow your new relationships while collaborating at job fairs or enjoying WATEA's annual Fore the Road Charity Golf Fundraiser.
- **Appreciation from Program Participants & Your Community**
Your membership helps sustain critical community workforce programs like the Wheels to Work vehicle loan program and the Commute2Careers job transportation shuttle program. These programs help low-income residents access jobs, gain stability, and get their lives back on track.
- **...AND MUCH MORE!**
